DULLES CORRIDOR METRORAIL PROJECT

Lane closures along Autopilot Drive at Washington Dulles International Airport, Wednesday Night, January 7, 2015

Barrier installation will take place overnight on Wednesday, January 7, causing lane closures on Autopilot Drive at Washington Dulles International Airport.

All work is weather dependent and subject to change.

Airport Roads

When: Wednesday, January 7, 9 p.m. to 5 a.m.

What: Partial ramp closure (right side)

Where: **From the start of the right turn/exit lane from westbound Rudder Road to northbound Autopilot Drive continuing to 400 feet north of the intersection of Rudder Road and Autopilot Drive (near the police/fire station entrance).**

Why: Barrier installation

When: Wednesday, January 7, 9 p.m. to 5 a.m.

What: Right lane closed

Where: **Southbound Autopilot Drive from 450 feet north of the intersection of Rudder Road and Autopilot Drive to 75 feet north of the intersection of Rudder Road and Autopilot Drive.**

Why: Barrier installation
