## **DULLES CORRIDOR METRORAIL PROJECT**

### **Lane Closures Tonight, March 16, 2015**

Utility work will take place overnight on Monday, March 16, causing lane closures on Materials Road at Dulles International Airport.

All work is weather dependent and subject to change.

#### **Materials Road**

When: Monday, March 16 - Tuesday, March 17, 6 p.m. to 5 a.m.

What: Westbound lane and right turn lane closed

Where: **From the beginning of the right turn lane on westbound Materials Road to the intersection of Autopilot Drive and Materials Road, the westbound through lane and the right turn lane will be closed. Eastbound and westbound traffic will be flagged through the work zone.**

Why: Utility relocation
