## **Dulles Connector Road Exit Ramp to Close Thursday Night**

As part of The Dulles Corridor Metrorail Project, construction crews will close the exit ramp from the eastbound Dulles Connector Road (Route 267) to northbound Dolley Madison Boulevard (Route 123) between midnight Thursday night, October 22, and 5:00 a.m. on Friday morning, weather permitting.

Drivers will be directed to detour by using the ramp to southbound Route 123 and using the traffic signal to access the northbound lanes. Police will be on site for motorist safety.

This work will allow crews to set barriers along the shoulder of Route 123 to prepare for aerial guideway construction in this area.

Motorists should stay alert and be prepared for these construction activities.

If you have any construction-related emergencies, please call the Dulles Corridor Metrorail Project Hotline at 877-585-6789.

For further information about the project, please visit our project website at [www.dullesmetro.com](http://www.dullesmetro.com) or call 703-572-0506.
