Important Lane Closures Feb. 22-26, 2010

Overnight Gas Line Work Near Capital One at Night

Washington Gas crews will continue gas main installations around Dolley Madison Boulevard (Route 123) and Capital One Drive overnights all next week. This will require several lane closures and detours Monday, Feb. 22, through Saturday, Feb. 27.

Be on the lookout for closures of some lanes along Route 123, Capital One Drive, and Old Meadow Road. Traffic to access the Capital One building will be detoured to the alternate entrance via Scotts Crossing Road.

Police will be onsite to direct traffic and for motorist safety.

Old Chain Bridge Road Reduced to One Lane

Crews will resume concrete pours in this area of the Dulles Connector Road median. To access this work area, they will need to reduce Old Chain Bridge Road to one lane between Seneca Avenue and Hallcrest Drive.

This work is scheduled for Monday, Feb. 22, through Thursday, Feb. 25 between 9:30 a.m. and 3:30 p.m., and from 9:30 a.m. to noon on Friday, Feb. 26. A flagger will be on site at all times to direct traffic.
